**2 for \$20**

**A great gift for friends and family this Christmas! The 15 month Florissa Calendar features original art work by area students who created the pieces during Autism Awareness Month in April. Florissa is the children's division of Kreider Services and provides help to children (0-18 years) with developmental, behavioral, social and emotional needs. A calendar can be yours for a donation of \$12. Proceeds from this calendar fundraiser will help sustain services for children at Florissa. Thank you for your support.**
